## BUSINESS OFFICE – POLICY 13.30 BUSINESS POLICY – SLIDING FEE DISCOUNT

Written: May 22, 2017  
Revised: April 13, 2017

### PURPOSE:

This program is designed to provide free or discounted care to those who have no means, or limited means, to pay for their medical services (Uninsured or Underinsured). In addition to quality healthcare, patients are entitled to financial counseling by someone who can understand and offer possible solutions for those who cannot pay in full. The Patient Account Representative's role is that of patient advocate, that is, one who works with the patient and/or guarantor to find reasonable payment alternatives.

Hocking Valley Medical Group will offer a Sliding Fee Discount Program to all who are unable to pay for their services. HVMG will base program eligibility on a person's ability to pay and will not discriminate on the basis of age, gender, race, creed, disability or national origin. The Federal Poverty Guidelines, <http://aspe.hhs.gov/poverty>, are used in creating and annually updating the slide fee schedule (SFS) to determine eligibility.

**PROCEDURE:** The following guidelines are to be followed in providing the Sliding Fee Discount Program.

- 1. Notification:** HVMG will notify patients of the Sliding Fee Discount Program by:
  - Notification of the Sliding Fee Discount Program will be offered to each patient at check-in,
  - Sliding Fee Discount Program application will be included with collection notices sent out by HVMG.
  - An explanation of our Sliding Fee Discount Program and our application form are available on the HVMG website.
  - HVMG places notification of Sliding Fee Discount Program in the clinic waiting areas.
- 2.** All patients seeking healthcare services at HVMG are assured that they will be served regardless of ability to pay. **No one will be refused service because of lack of financial means to pay for medical services.**
- 3. Request for discount:** Requests for discounted services may be made by patients, family members, or others who are aware of existing financial hardship. The Sliding Fee Discount Program will be made available for office visits at **all offices**, with a separate sliding fee scale for surgical procedures.
- 4. Administration:** The Sliding Fee Discount Program procedure will be administered through the Patient Accounts representative in the Billing Department. Information about the Sliding Fee Discount Program policy and procedure will be provided and assistance offered for completion of the application. Dignity and confidentiality will be respected for all who seek and/or are provided charitable services.
- 5. Alternative payment sources:** All alternative payment resources must be exhausted, including all third-party payment from insurance(s), Federal and State programs.
- 6. Completion of Application:** The patient/responsible party must complete the Sliding Fee Discount Program application in its entirety. By signing the Sliding Fee Discount Program application, persons authorize HVMG access in confirming income as disclosed on the application form. Providing false information on a Sliding Fee Discount Program application will result in all Sliding Fee Discount Program discounts being revoked and the full balance of the account(s) restored and payable immediately.

If an application is unable to be processed due to the need for additional information, the applicant has two weeks from the date of notification to supply necessary information without having the date on their application adjusted. If a patient does not provide the requested information within the two

week time period, their application will be re-dated to the date on which they supply the requested information. Any accounts turned over for collection as a result of the patient's delay in providing information will not be considered for the Sliding Fee Discount Program.

7. **Eligibility:** Discounts will be based on income and family size only. HVMG uses the Census Bureau definitions of each.
  - a. **Family** is defined as: a group of two people or more (one of whom is the householder) related by birth, marriage, or adoption and residing together; all such people (including related subfamily members) are considered as members of one family.
  - b. **Income** includes: earnings, unemployment compensation, workers' compensation, Social Security, Supplement Security Income, public assistance, veterans' payments, survivor benefits, pension or retirement income, interest, dividends, rents, royalties, income from estates, trusts, educational assistance, alimony, child support, assistance from outside the household, and other miscellaneous sources. *Noncash benefits (such as food stamps and housing subsidies) do not count.*
8. **Income verification:** Applicants must provide one of the following: prior year W-2, two most recent pay stubs, letter from employer, or Form 4506-T (if W-2 not filed). Self-employed individuals will be required to submit detail of the most recent three months of income and expenses for the business. Adequate information must be made available to determine eligibility for the program. Self-declaration of Income may only be used in special circumstances. Specific examples include participants who are homeless. Patients who are unable to provide written verification must provide a signed statement of income, and why (s)he is unable to provide independent verification. This statement will be presented to HVMG's CEO or his/her designee for review and final determination as to the sliding fee percentage. Self-declared patients will be responsible for 100% of their charges until management determines the appropriate category.
9. **Discounts:** Those with incomes at or below 100% of poverty will receive a full 100% discount. Those with incomes above 100% of poverty, but at or below 200% of poverty, will be charged according to the attached sliding fee schedule. The sliding fee schedule will be updated during the first quarter of every calendar year with the latest federal poverty guidelines, <http://aspe.hhs.gov/poverty>.
10. **Nominal Fee for Office Visits.** Patients receiving a full discount will be assessed a **\$10 nominal charge** per visit. However, patients will not be denied services due to an inability to pay. The nominal fee is not a threshold for receiving care and thus, is not a minimum fee or co-payment.
11. **Adjusted Fee for Procedures.** Patients will be charged the rate equivalent to Medicaid reimbursement for any medically necessary and elective procedures. The surgeon will determine if the procedure is medically necessary before providing the service. For non-urgent or elective procedures, patients will be asked to make a down payment of \$500 prior to the surgery being scheduled.
12. **Waiving of Charges:** In certain situations, patients may not be able to pay the nominal or discount fee. Waiving of charges may only be used in special circumstances and must be approved by HVMG's CEO, Practice Manager or their designee. Any waiving of charges should be documented in the patient's file along with an explanation (e.g., ability to pay, good will, health promotion event).
13. **Applicant notification.** The Sliding Fee Discount Program determination will be provided to the applicant(s) in writing, and will include the percentage of Sliding Fee Discount Program write off, or, if applicable, the reason for denial. If the application is approved for less than a 100% discount or denied, the patient and/or responsible party must immediately establish payment arrangements with HVMG. Sliding Fee Discount Program applications cover outstanding patient balances for six months prior to application date and any balances incurred within 12 months after the approved date, unless their financial situation changes significantly. The applicant has the option to reapply

after the 12 months have expired or anytime there has been a significant change in family income. When the applicant reapplies, the look back period will be the lesser of six months or the expiration of their last Sliding Fee Discount Program application.

14. **Refusal to Pay:** If a patient verbally expresses an unwillingness to pay or vacates the premises without paying for services, the patient will be contact in writing regarding their payment obligations. If the patient is not on the sliding fee schedule, a copy of the sliding fee discount program application will be sent with the notice. If the patient does not make effort to pay or fails to respond within 60 days, this constitutes refusal to pay. At this point in time, HVMG can explore options not limited, but including offering the patient a payment plan, waiving of charges, or referring the patient collections efforts.
15. **Record Keeping:** Information related to Sliding Fee Discount Program decisions will be maintained and preserved in a centralized confidential file located in the Patient Accounts office, in an effort to preserve the dignity of those receiving free or discounted care.
  - a. Applicants that have been approved for the Sliding Fee Discount Program will be logged in a password protected document on the HVMG Shared Company directory, noting names of applicants, dates of coverage and percentage of coverage.
  - b. A designated billing clerk will maintain an additional monthly log identifying Sliding Fee Discount Program recipients and dollar amounts. Denials will also be logged.
16. **Policy and procedure review:** Annually, the amount of Sliding Fee Discount Program will be reviewed by the CEO and/or Comptroller. The SFS will be updated based on the current Federal Poverty Guidelines. Pertinent information comparing amount budgeted and actual community care provided shall serve as a guideline for future planning. This will also serve as a discussion base for reviewing possible changes in our policy and procedures and for examining institutional practices which may serve as barriers preventing eligible patients from having access to our community care provisions.
